HIBA IQBAL BEGUM

#8, Hudco 2nd stage   +91-9731618840

Opposite to JSS ladies hostel   hibaiqbal781@gmail.com

Bannimantap Mysore 5700-15

OBJECTIVE:

To obtain an entry-level computer engineering position and develop interesting application in the field of computer science.

ACADEMIC DETAILS:

Year	Degree/Education	Board/University	Percentage/CGPA
2015- Present	B.E in computer Science and engineering	SJCE Autonomous (Affiliated to VTU Belgaum)	CGPA: 8.52
2013-2015	XII	Dept of PUE Karnataka	83%
2013	X	State	80.32%

PROJECTS AND OTHER IMPLEMENTATION:

1. **Position Tracking**
   Implementation of a position tracking device on IBM platform.

2. **Human Resource Management**
   Implementation of human resource management using java and SQL queries.

3. **Classification of flower data set using Haralick features**

   Flower dataset was taken and classified without using in-built functions in MATLAB.

4. **Hate message detection (on-Going)**

   Implementing an algorithm where message/comment on social media will   classify

   it to hate or not hate.

Technical background:

Language known: C, C++, java, python, SQL, HTML, Matlab.

Achievements:

- **Smart Audio Visual Automated System (SAVAS)**
  A technical paper on security in the cars was accepted by PACE.

- Won 2nd place in Innovative idea submission at GSSS National level competition.

Courses:

- Natural Language Processing and Text Analytics.

Extra-curricular activities:

- Chief Editor at Linux Campus Club.

- Conducted session on UNIX commands through Linux Campus Club.

- Organized treasure hunt event through Linux Campus Club.
